

PUBLIC ADMINISTRATION (PAD)

Public Administration (PAD) Courses

PAD 5003. Introduction to Public Service Leadership and Management. (3-0) 3 Credit Hours.

This course introduces students to the discipline of public administration with an emphasis on the expectations and ethics of service in civil society. Students have the opportunity to develop the skills and knowledge of effective public servants in a diverse world. In addition to a basic introduction to the field of public administration, other topics may include a general overview of leadership and public service values, including justice, fairness and transparency. Students should take this course in their first 6 hours of coursework. (Formerly titled "Introduction to Public Administration.") Course Fees: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5033. Managing Public Organizations. (3-0) 3 Credit Hours.

Building from a foundation in organization theory, this course is an overview of the unique management challenges in organizations serving public purposes. Topics include public organization environment and stakeholders, organizational processes and structures, organizational design and change, accountability and transparency, and performance measurement and management. (Formerly titled "Theories of Public Organizations.") Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5103. Planning and Land Use Law. (3-0) 3 Credit Hours.

Designed to provide a core background of the legal environment of planning and land use, this course will cover the various levels of government involved in defining this environment, with an emphasis on crucial historic and contemporary legal decisions that inform planning and land-use decisions. Special attention is given to the ethical and philosophical background that informs the balance of property rights and the public good. Topics covered may include regulatory mandates, eminent domain and takings, the local tools of land use control, and the impact of land use law on a more diverse public, such as renters and low income residents. Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5223. Urban Management. (3-0) 3 Credit Hours.

With a focus on local government, this course examines the intersection of administrative, political, fiscal, economic, and social processes for delivering public services. Students will explore the ways government creates opportunity and incentives, implements policy, serves citizens, and provides basic services in a complex environment. Topics may include contemporary issues in urban areas, urban finance, citizen participation, local government tax policies, sustainability, and intergovernmental dimensions of urban management. Course Fees: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5243. Management Information Systems. (3-0) 3 Credit Hours.

This course examines managerial means of accessing, organizing, and using information and data in public and nonprofit organizations. The course emphasizes using information and communication technology to enhance managerial decision making. The major technologies and issues in management information systems are covered such as databases, telecommunications, Internet, wireless technology, and information security. Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5303. Ethics and Leadership. (3-0) 3 Credit Hours.

Those who work in public service are responsible for developing and maintaining public trust by behaving ethically and with accountability. This course provides an introduction to the philosophy of ethics as it has developed in Western society. Students in this class will be introduced to ethics and how to analyze and confront ethical challenges as professional public servants as they relate to power, authority, accountability, justice, divided allegiances, and citizen priorities. Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5313. Public Policy Analysis. (3-0) 3 Credit Hours.

This course examines the core component of policymaking—the examination, comparison, and choice of policy alternatives. The values, assumptions, and tools associated with welfare economics, as well as alternative approaches to analysis will be studied in detail. The course addresses key policy issues, which may include taxation, poverty, deregulation, climate change, inflation, and unemployment. Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5323. Public Policy Process. (3-0) 3 Credit Hours.

This course provides a broad overview of the process of formulating, deciding on, and implementing public policies. Through theoretical approaches and case studies, this course examines issues such as the impact of politics on policy formulation, the role of nongovernmental actors in the policy process, the complexities of decision-making, and the challenges and opportunities facing policy makers in a diverse, global society. (Formerly titled "Public Policy Formulation and Implementation.") (Credit cannot be earned for both PAD 5323 and POL 5173.) Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5333. Program Evaluation. (3-0) 3 Credit Hours.

The course provides an overview of the design and methodological issues in evaluating public programs and policies. Addresses the uses and limitations of methods such as cost-benefit analysis, time-series analysis, case studies, and the logic of experimental, quasi-experimental and nonexperimental assessments. Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5343. Managing Human Resources in Public Organizations. (3-0) 3 Credit Hours.

The course explores key managerial and leadership challenges involved in leading employees towards achieving public organizations' missions while promoting public values, fairness, and social justice. Topics include history and legal framework of human resource management, strategic analysis of human resource challenges, recruitment and retention, rewards and motivation, performance appraisal, diversity and inclusion, teamwork and collaboration, work design, and ethical leadership. (Formerly titled "Human Resource Management in the Public Sector.") Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5363. Public Budgeting and Finance. (3-0) 3 Credit Hours.

This course provides a foundation in public budgeting and finance that includes an exploration of concepts, processes, and principles essential to effective professional practice in the public sector. Topics include the politics of the budgetary process, budget preparation, budgeting for performance, capital budgeting, revenue strategies, debt management, and budget reporting and analysis. (Formerly titled "Public Sector Financial Management.") Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5393. Economics for Public Affairs. (3-0) 3 Credit Hours.

This course introduces the use of economic reasoning and tools of analysis with a primary focus on application to issues in public policy and administration. Concepts and principles addressed include demand and supply, consumer choice, market structures, market failure, tax systems, inequality, redistribution, and cost-benefit analysis. The interrelationship between government and the private sector in a market economy is also explored with a particular emphasis on implications for public policy. (Formerly titled "Economics for Public Administrators.") Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5473. Land Use Policy. (3-0) 3 Credit Hours.

A broad overview of the formulation and implementation of land use policies in the United States, with an emphasis on South Texas. Special attention is given to traditional local land use tools such as platting and zoning, as well as more contemporary and innovative strategies such as form-based zoning and regional planning bodies. Topics may also include: how our changing orientation to land functions as a key determinant of land use policy; environmental protection; the provision of affordable housing. Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5513. Urban and Regional Economic Development. (3-0) 3 Credit Hours.

Focus on economic development theory and tools for urban-regional economic development. Analyses of factors contributing to the economic growth or decline of U.S. cities or regions. Research approaches and development theories and practices provide the student with options for approaches and policies for economic development. Case studies of specific urban areas are analyzed. Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5573. Public Policy and Policymaking in San Antonio. (3-0) 3 Credit Hours.

The politics, economy, and built form of a city shaped by decisions and choices, both public and private, made over decades. Contemporary San Antonio shares a great many common dimensions with the "new cities" of the Sunbelt. At the same time, its economic and political development reflects many unique characteristics and its own history. The purpose of this course is to develop a framework for understanding the present day circumstances and needs of the San Antonio area, as they have been shaped over the nineteenth and twentieth centuries. Students have the opportunity to understand how various elements of the city's environment, society, and economy have developed, and how today's issues, problems, and policy making processes have been shaped. Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5913. Foundations of Nonprofits. (3-0) 3 Credit Hours.

This introductory overview course examines the history, theoretical and legal foundations, unique values, and major trends currently shaping the nonprofit sector. The intention is to help students develop a 'cognitive map' of the nonprofit sector that helps them to understand how to foster sustainable organizations given their political roles, various challenges and unique contribution to governance and service delivery in the United States. (Formerly titled "Nonprofit Organizations.") Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5923. Nonprofit Leadership and Management. (3-0) 3 Credit Hours.

This course focuses on leadership and managerial responsibilities and techniques in nonprofit organizations. Topics may include the roles and functions of boards of directors, recruiting and retaining volunteers and staff, and understanding the complex context of nonprofit organizations. Case studies are analyzed to further integration of course material and student experience. Course Fees: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5933. Development and Management of Nonprofit Resources. (3-0) 3 Credit Hours.

This course addresses two integrated management functions central to strategic decision making for successful nonprofits: financial management and resource development. The objectives of the course are to provide students with the knowledge and skills necessary to manage and generate financial resources, including financial roles and responsibilities within an organization, financial reporting, budgeting, and management tools. Students will learn how to build a comprehensive development program, the fundraising cycle, organizational stewardship and accountability with regard to fundraising and philanthropy. (Formerly titled "Fiscal Resource Development in Nonprofit Organizations.") Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5943. Strategic Management. (3-0) 3 Credit Hours.

This course introduces students to the concepts and techniques of strategic management. Particular topics to cover are mission and vision, goal setting process, environmental scanning and analysis, issue identification, strategy formulation, implementation, and control techniques. Case studies may be utilized to demonstrate strategic management applications in public and nonprofit organizations. (Formerly titled "Research in Health and Kinesiology Nonprofit Organizations.") Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 5953. Grant Development and Proposal Writing. (3-0) 3 Credit Hours.

Provides preparation for public managers to develop effective grant proposals. Examines important trends in philanthropy, specifically outcome measurement and program evaluation. Other topics include: creating partnership proposals, identifying possible funding sources, program design, and effective writing for grants. Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 6243. Administrative Law. (3-0) 3 Credit Hours.

This course covers the rules that govern the activities of administrative agencies and the body of law that defines those requirements. Topics may include rule-making, administrative hearings, and freedom of information, as well as broader questions of agency discretion, and the appropriate scope of judicial review. Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 6823. Research Design. (3-0) 3 Credit Hours.

An introduction to conducting social science research, with emphasis on research design as the means to address the common obstacles to making appropriate comparisons and drawing causal inferences. The course prepares students to develop their own research projects and to understand and habitually articulate and incorporate the elements of effective research design in their work and in assessing the work of others. The course reviews common quantitative and qualitative methodologies for answering research questions, and also includes modules on skills such as professional writing, source and data acquisition, evaluation, and management. (Formerly PAD 5233. Credit cannot be earned for both PAD 6823 and PAD 5233.) Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 6833. Applied Quantitative Methods. (3-0) 3 Credit Hours.

A review of basic statistics, the course develops an intuitive and practical understanding of statistical techniques, and prepares students to generate, manage, evaluate, analyze, and present data. The course reviews descriptive statistics, exploratory data analysis, probability theory, statistical inference, hypothesis testing, and regression analysis, and provides the skills to describe data sets, and to use them to make inferences about the entities they describe to aid analyzing management, public policy, program evaluation, or public opinion issues for which appropriate data exist. (Formerly PAD 5023. Credit cannot be earned for both PAD 6833 and PAD 5023.) Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 6923. Capstone Seminar: Research Paper in Public Administration. (3-0) 3 Credit Hours.

Prerequisite: PAD 6823, PAD 6833, and at least 24 completed MPA credit hours. This course enables students to integrate the knowledge, skills and values gained in the MPA program by applying theory to practice. It serves as an important bridge between the classroom and the realm of public service. This class is usually taken in the last semester in the program. The grade report for the course is either "CR" (satisfactory performance) or "NC" (unsatisfactory performance). Course Fee: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 6951. Independent Study. (0-0) 1 Credit Hour.

Prerequisites: Graduate standing and permission in writing (form available) from the instructor and the Graduate Advisor of Record. Independent reading, research, discussion, and/or writing under the direction of a faculty member. For students needing specialized work not usually available as part of the regular course offerings. May be repeated for credit, but not more than 3 hours, regardless of discipline, will apply to the Master's degree. Course Fee: GHC1 \$25; LRHC \$10; STHC \$6.

PAD 6953. Independent Study. (0-0) 3 Credit Hours.

Prerequisites: Graduate standing and permission in writing (form available) from the instructor and the Graduate Advisor of Record. Independent reading, research, discussion, and/or writing under the direction of a faculty member. For students needing specialized work not usually available as part of the regular course offerings. May be repeated for credit, but not more than 6 hours, regardless of discipline, will apply to the Master's degree. Course Fees: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 6961. Comprehensive Examination. (0-0) 1 Credit Hour.

Prerequisite: Approval of the appropriate Graduate Program Committee Chair to take the Comprehensive Examination. Independent study course for the purpose of taking the Comprehensive Examination. May be repeated as many times as approved by the Graduate Program Committee. Enrollment is required each term in which the examination is taken if no other courses are being taken that term. The grade report for the course is either "CR" (satisfactory performance on the Comprehensive Examination) or "NC" (unsatisfactory performance on the Comprehensive Examination). Course Fee: GHC1 \$25; LRHC \$10; STHC \$6.

PAD 6963. Internship. (0-0) 3 Credit Hours.

Prerequisites: Consent of instructor and 18 semester credit hours of graduate work. Work-oriented experience in a public service related setting where the principles, theories, concepts, and methods of the discipline can be applied. A research paper under the supervision of assigned faculty is required. Course Fees: GHC1 \$75; LRHC \$10; STHC \$18.

PAD 6966. Internship. (0-0) 6 Credit Hours.

Prerequisites: Consent of instructor and 18 semester credit hours of graduate work. Work-oriented experience in a public service related setting where the principles, theories, concepts, and methods of the discipline can be applied. A research paper under the supervision of assigned faculty is required. Course Fees: GHC1 \$150; LRHC \$10; STHC \$36.

PAD 6973. Special Topics. (3-0) 3 Credit Hours.

An organized course offering the opportunity for specialized study not usually available as part of the regular course offerings. Special Topics courses may be repeated for credit when topics vary, but not more than 6 hours, regardless of discipline, will apply to the Master's degree. Course Fees: GHC1 \$75; LRHC \$10; STHC \$18.
