

INACTIVATION OF ADMISSION

There are circumstances whereby an applicant or admitted student may wish to cancel an offer of admission to UT San Antonio. Cancellation of admission triggers cancellation of course registrations, financial aid awards, and housing applications and contracts.

Restrictions

Applicants and admitted students, or the parent or guardian of a minor student, may cancel their admission any time prior to the first day of class for the expected semester of enrollment as indicated on the application for admission.

Procedures

Applicants and admitted students, or the parent or guardian of a minor student, who meet the above restrictions should initiate the request in writing, via a letter or e-mail that provides the student's full name, date of birth, and student ID number to ensure correct identification, to Undergraduate Admissions stating the desire to cancel the application for admission.

Conditions

- Students who cancel admission and later wish to enroll at UT San Antonio must reapply for admission according to the requirements and procedures stated in the UT San Antonio Student Policies current at the time of application.
- Application fees submitted as part of an application process that is later cancelled are nonrefundable.
- Documents submitted as part of an application process that is later cancelled remain the property of UT San Antonio.
- Students who cancel their admission after attending an Orientation session remain responsible for the payment of all orientation fees and charges they incurred.
- Students who cancel their admission after requesting their application fee be deferred remain responsible for the payment of that fee as well as any other fees and charges they incurred.
- Any outstanding financial obligations to UT San Antonio incurred prior to cancellation of admission remain in effect after cancellation of admission.
- If any financial aid has been awarded or disbursed in good faith prior to the cancellation, the student, or the parent or guardian of a minor student, must immediately contact the One Stop Enrollment Center to discuss next steps.
