

ADDITIONAL COLLEGE AND COURSE FEES AND INCIDENTAL CHARGES

In addition to tuition, additional fees and charges may be assessed for the incidental cost of services of the major pursued or the courses selected by a student. Students should be aware of additional fees and charges incurred by their major or course selection that will be added to the total cost of tuition. Some but not all of these fees and charges are noted by the course listing in the online schedule of classes.

- Incidental Course and Program Fees (p. 1)
- UT San Antonio Online Programs Fees (p. 13)
- Parking Fees (p. 13)

Incidental Course and Program Fees

Charge/Fee Name	Code	Amount	Charged Per	Charge/Fee Description
Certification Charge - College of Education and Human Development (COEHD) - Undergraduate Certification	SELS	\$20	Semester	This charge is assessed all undergraduate students seeking teacher certification to defray costs associated with group advising, individual advising, processing applications for admission to the Program, processing applications for certification to the State Board, outreach via classroom visits, and mobile advising at student events.
Certification Charge - College of Education and Human Development (COEHD) - Graduate Students	SEGR	\$20	Semester	This charge is assessed graduate students seeking various professional certifications. Services for graduate students are provided only during their final semester. The fee is related to those seeking professional certification in the areas of Principal as an Instructional Leader, Reading Specialist, School Counselor, and Superintendent.
Certification Charge - College of Education and Human Development (COEHD) - Accelerated Certification Program	SECC	\$105	Semester	This charge is assessed all post-baccalaureate students seeking initial teacher certification under the Accelerated Certification Program. To defray costs of providing transcript evaluation, group and individual advising, and processing of certification applications to the State Board.
Klesse College of Engineering and Integrated Design (KCEID) Programs Fee	SAP1	\$25	Course	This fee is assessed students enrolled in certain lower-division undergraduate courses in the architecture curriculum who use any of the studios under the direction of the Klesse College of Engineering and Integrated Design. This fee is to defray costs of supplies, materials, equipment, and services for students enrolled in Architecture, Interior Design, and Construction Science and Management curriculum.
Counseling Support Fee	COUN	\$35	Course	All students registered in certain counseling department courses are charged this fee to defray costs of services and training designed to prepare counselors.
Dietetics and Nutrition Program Service Charge	DNPS	\$75	Semester	This charge is assessed all undergraduate and graduate students enrolled in the Coordinated Program in Dietetics (CDP) to defray costs associated with annual student orientation, training for students and off-site preceptors, administrative services to support student internship placement, tracking of practicum/internship hours, and other reports and systems required for ACEND accreditation.
Dietetics Teaching Kitchen Fee	DNMF	\$225	Credit Hour	This fee is assessed all students enrolled in certain Dietetics and Nutrition Program courses to defray costs associated with the purchase of foods, consumable supplies, and materials to be used in a kitchen laboratory.

Additional College and Course Fees and Incidental Charges

Dietetics and Nutrition Practicum Fee	DNPF \$20	Credit Hour	This fee is assessed all students enrolled in certain Dietetics and Nutrition Program courses to defray costs associated with supervision of students at affiliation sites at various locations, including student liability coverage costs associated with the practicum courses, related faculty travel, recruitment and meetings with preceptors, field trips, instructional support materials, recognition events, and training for the preceptors.	Education TExES Charge	CETC \$65	Semester	This charge is assessed all students pursuing teaching or professional certification through the College of Education and Human Development to defray costs associated with providing materials and services mandated by the Texas Education Agency, to support student success on the Texas Examinations of Educator Standards (TExES). Services offered include individual and group tutorials, workshops and large review sessions, implementation of Practice TExES exams, instructional materials, supplies, and salaries.
Dietetics and Nutrition Testing Fee	DNTM \$112	Credit Hour	This fee is assessed all students enrolled in certain Dietetics and Nutrition Program capstone courses to defray costs associated with the purchase of educational materials for assessing student learning using computer-based testing in preparation for the national credentialing exam and including, but not limited to, the purchase of revised materials and annual subscriptions to online manuals.	Educational Field Clinical Instruction Fee - College of Education and Human Development (COEHD)	STF1 \$75	Course	This fee will be assessed all students during their semester of student teaching and students in special education practicum settings, counseling practica, and student internships to defray costs associated with providing materials and services associated with field-based courses and practica, to include supervision of student teachers, interns, and students in field placement at both the graduate and undergraduate levels, appreciation items for student teaching supervisors, mileage costs and salaries, training in the use of educational technology, and travel to mandatory state-wide Texas Education Agency training.
Digital Learning Fee	DL01 \$25	Credit Hour	This fee is assessed each student enrolled in certain hybrid or online courses with a maximum charge of \$150 per semester to defray costs associated with managing, maintaining, upgrading, and general operations of the University's Learning Management System (LMS) and online course development activities.				
Education Assessment Course Fee - College of Education and Human Development (COEHD)	LEA1/ \$15/ LEA2 \$25	Course	A fee of \$15 per undergraduate course and \$25 per graduate course will be assessed all students registered in certain College of Education and Human Development courses to defray costs of development and maintenance of a collection of professional assessment materials.				

Educational Field Instruction Fee - KIN	STFK	\$57	Semester	To defray costs associated with materials, supplies, equipment, services, and the operation of practicum, internship, student research, and field-work programs. May include mentoring and supervision costs of students in practicum, internship, student research, and field-work settings, travel cost reimbursement for students and instructors to off-campus site visits and workshops, costs of organizing or attending meetings, student events with faculty and community partners, professional development events, and organizing internship and career fairs. Costs may also include student certification and license fees.	Field Trip Fee - Biology	STFB	\$40	Course	A supplementary fee is assessed students in certain Biology and Environmental Science and Ecology courses to pay for the expenses of field trips.
					Field Trip Fee - Environmental Science and Ecology	STFE	\$40	Course	A supplementary fee is assessed students in certain Biology and Environmental Science and Ecology courses to pay for the expenses of field trips.
					Foreign Language Multimedia Learning Center Fee	MM01	\$7	Course	This fee is assessed each student who registers at UT San Antonio in a foreign language course to defray costs of supplies, printing, equipment, and part-time lab helpers in the Multimedia Learning Center.
					Global Business Skills Charge - Alvarez College of Business International Programs	BISP	\$10	Course	This fee will be assessed all students enrolled in certain lower-division undergraduate Alvarez College of Business classes to defray costs of programs that develop students' global business skills, including: programs that give participating students on-campus or U.S.-based access to study, research, or practicums related to global business; programs that immerse participating students in global business environments for study, research, or practicums in U.S. or international locations; and costs to administer programs related to developing global business skills.
Equipment and Materials Fee - Department of Physics and Astronomy	MEPA	\$18	Course	This fee is assessed all students registered for certain courses in the Department of Physics and Astronomy to defray costs associated with purchase and maintenance of demonstration equipment, printing supplies, and acquisition of WEBASSIGN to enhance learning and wages.					
Equipment and Materials Fee - Political Science and Geography, Geographic Information Systems Materials	GIS1	\$32/ \$40	Course	A fee of \$32 per undergraduate student and \$40 per graduate student is assessed all students registered for certain courses in the Department of Political Science and Geography to defray costs of printing equipment and supplies and salaries for tutorial instruction.					
Equipment and Materials Fee - Political Science and Geography, Media Equipment and Materials	MST1	\$30/ \$35	Course	A fee of \$30 per undergraduate student and \$35 per graduate student is assessed all students registered for certain courses in the Department of Political Science and Geography to defray costs of the media studio and salaries for tutorial instruction.					

Additional College and Course Fees and Incidental Charges

Global Business Skills Charge - College of AI, Cyber and Computing (CAICC)	GASC	\$10	Course	This fee will be assessed all students enrolled in certain lower-division undergraduate College of AI, Cyber and Computing (CAICC) classes to defray costs of programs that develop students' global business skills, including: programs that give participating students on-campus or U.S.-based access to study, research, or practicums related to global business; programs that immerse participating students in global business environments for study, research, or practicums in U.S. or international locations; and costs to administer programs related to developing global business skills.	Graduate Services Charge – College for Health, Community and Policy (HCAP)	GHCI	\$25	Credit Hour	This fee is charged to all students enrolled in graduate courses within the College for Health, Community and Policy to defray costs of services provided to master's and doctoral students. These services include funding for graduate assistantships, graduate student travel, orientation programs, recruitment efforts, professional development opportunities, student events, and administrative support.
					Graduate Services Charge - College of Liberal and Fine Arts (COLFA)	GL01	\$30	Credit Hour	This charge is assessed all students enrolled in graduate courses of the College of Liberal and Fine Arts to defray costs associated with services to master's and doctoral students including advising, orientation, graduation, certification, placement, research support, professional education meetings, seminars, administrative services, graduate student travel, assistantships, and other support services.
Graduate Services Charge - College of Education and Human Development (COEHD)	GH01	\$30	Credit Hour	This charge is assessed all students enrolled in graduate or doctoral courses in the College of Education and Human Development to defray costs associated with advising, orientation, certification, placement, research support, recruitment, professional education, meetings, and other administrative and support services.	Graduate Services Charge - College of Sciences (COS)	GS01	\$30	Credit Hour	This charge is assessed all students enrolled in graduate or doctoral courses of the College of Sciences curriculum to provide advising, research support, recruitment, professional meetings, assistantships, administrative services, and seminars.
Graduate Services Charge - Klesse College of Engineering and Integrated Design (KCEID)	CEGS	\$60/\$30	Semester	A charge of \$60 per semester (\$30 per summer session) is assessed all students enrolled in graduate courses of the Klesse College of Engineering and Integrated Design curriculum to defray the cost of providing advising, orientation, and administrative services.	Graduate Services Charge (COS) - College of AI, Cyber and Computing (CAICC)	GA02	\$30	Credit Hour	This charge is assessed all students enrolled in graduate or doctoral courses of the College of AI, Cyber and Computing (CAICC) curriculum to provide advising, research support, recruitment, professional meetings, assistantships, administrative services, and seminars.
Graduate Services Charge (KCEID) - College of AI, Cyber and Computing (CAICC)	AIGS	\$60/\$30	Semester	A charge of \$60 per semester (\$30 per summer session) is assessed all students enrolled in Graduate courses of the College of AI, Cyber and Computing (CAICC) curriculum to defray the cost of providing advising, orientation, and administrative services.					

Honors Experiential Enrichment Fee	EEHC	\$240	Fall/ Spring Semester	A fee of \$240 per Fall and Spring semester is assessed all students enrolled in the Honors College to defray costs associated with specialized counseling within Honors, specialized advising within student majors, design of new opportunities for study-abroad, purchase of consumables for undergraduate research, faculty training and access to experiential tutorial sequences to improve readiness for graduate school and professional/board exams.	Instrument Users Fee (COS) - Department of Biology, Health, and the Environment	IUS1	\$15	Course	This fee is assessed all students registered in certain Department of Biology, Health, and the Environment courses to defray costs of repairing and replacing teaching equipment.
					Instrument Users Fee (COS) - Department of Chemistry	IUC1	\$15	Course	This fee is assessed all students registered in certain Department of Chemistry courses to defray costs of repairing and replacing teaching equipment and salaries for technicians.
					Instrument Users Fee (COS) - Department of Computer Science	IUCS	\$15	Credit Hour	This fee is assessed all students registered in certain Department of Computer Science courses to defray costs of hardware and software instruments, peripheral devices, software licenses and maintenance of the computer science lab equipment, and administrative support.
Individual Instruction Fee – Art Studio	SAF2	\$50	Credit Hour	A fee is assessed each student enrolled in Art studio courses and will be used to defray the instructional costs associated with individual instruction as required by individual competencies held by students who take Art studio courses.	Instrument Users Fee (COS) - Department of Earth and Planetary Sciences	IUE1	\$15	Course	This fee is assessed all students registered in certain Department of Earth and Planetary Sciences courses to defray costs of repairing and replacing teaching equipment.
Individual Instruction Fee – Music	M001	\$154	Credit Hour	This fee is assessed all students in certain Music courses to defray the costs associated with instrument purchases, sponsoring artist teachers, master class and workshops for music majors, better tutoring opportunities for performing ensembles, and to establish an opera budget.	Instrument Users Fee (COS) - Department of Molecular Microbiology and Immunology	IUB2	\$10	Course	This fee assessed all students registered in certain Department of Molecular Microbiology and Immunology courses to defray costs of repairing and replacing teaching equipment.
Installment Plan Fee	IPP3	\$20	Semester	This charge is assessed when a student elects to pay tuition, fees, and charges under the installment payment plan. This charge is normally included in the first installment payment. A \$10 charge is assessed for each delinquent installment payment.	Instrument Users Fee (COS) - Department of Neuroscience, Developmental and Regenerative Biology	IUB1	\$10	Course	This fee assessed all students registered in certain Department of Neuroscience, Developmental and Regenerative Biology courses to defray costs of repairing and replacing teaching equipment.
Instrument Users Fee - College of AI, Cyber and Computing (CAICC)	IUCA	\$15	Credit Hour	This fee is assessed all students registered in certain departments of College of AI, Cyber and Computing (CAICC) courses to defray costs of hardware and software instruments, peripheral devices, software licenses and maintenance of the computer science lab equipment, and administrative support.	Instrument Users Fee (COS) - Department of Physics and Astronomy	IUP1	\$20	Course	This fee is assessed all students registered in certain Department of Physics and Astronomy courses to defray costs of purchase, repair, and maintenance of teaching equipment and salaries for technicians.

Additional College and Course Fees and Incidental Charges

Instrument Users Fee (COLFA) - School of Music	IUM1	\$30	Credit Hour	This fee is assessed all students registered in certain Music courses to defray costs of musical instrument technical training and the replacement and maintenance of musical instruments.	ISCA Course Resource Fee - College of AI, Cyber and Computing (CAICC)	ISCA	\$25	Credit Hour	This fee is assessed all undergraduate and graduate students enrolled in the College of AI, Cyber and Computing (CAICC) to defray the cost of providing materials, including, but not limited to, technology maintenance, administrative and equipment support, and direct and indirect costs to upgrade the student's classroom and virtual learning experience, such as Virtual Desktop Infrastructure (VDI), cyber range time, and specialized software.
International Student Insurance Fee	HIF1/ HIF2/ HIF3	Varies		All international students are required to purchase the UT System Student Health Insurance Plan, which covers basic medical expenses for injury and sickness. The plan is in compliance with the United States Information Agency's regulations. The fee is assessed as part of the regular tuition and fee charges. A waiver of this fee is available, provided 1) the student presents proof of coverage by a comparable U.S. health plan, and 2) UT San Antonio approves the comparable health coverage.	ISCS Course Resource Fee (ACOB) - Department of Information Systems & Cyber Security	ISCS	\$25	Credit Hour	This fee is assessed all undergraduate and graduate students enrolled in certain Information System courses in the Alvarez College of Business to defray the cost of providing materials, including, but not limited to, technology maintenance, administrative and equipment support, and direct and indirect costs to upgrade the student's classroom and virtual learning experience, such as Virtual Desktop Infrastructure (VDI), cyber range time, and specialized software.
International Student Program Charge	OIP1	\$185	Semester	This charge is assessed all international students to defray costs of programs and services for international students in Global Initiatives.					
Internship Fee - College of Education and Human Development (COEHD)	INT1	\$50	Credit Hour	This fee is assessed each student enrolled in designated internship courses in the departments of BBL, ILT, ELPS, EDP, COU, and REGSS. To defray costs associated with the creation, development, coordination, placement, and supervision of students engaged in these internship courses and support administrative costs for an internship coordinator.	ISCU Education Abroad Course Fee	ISCU	\$40	Credit Hour	This fee is assessed all students attending Study-Abroad courses in Urbino, Italy, to defray costs associated with the oversight, administration, program accounting, creation/ adjustment, and on-site management of courses taught in Urbino.
Internship Fee - Department of Criminal Justice	CJIF	\$65	Semester	This fee is assessed each student enrolled in Department of Criminal Justice courses to defray costs associated with creating, developing, and implementing internships, including salaries and material costs.	Laboratory Fee	L001	\$2 - \$30	Course	In certain courses, a laboratory fee, not to exceed the actual cost of materials and supplies and no less than \$2 nor more than \$30, may be charged. When a laboratory fee is charged, the online schedule of classes indicates the associated fee.

Learning Resource LRC1 Fee - Core Curriculum	\$4	Credit Hour	A fee is assessed each student enrolled in Core Curriculum courses to provide materials, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.	Learning Resource LRAB Fee (ACOB) - College of AI, Cyber and Computing (CAICC)	\$15.41	Course	A fee is assessed each student enrolled in certain lower-division undergraduate College of AI, Cyber and Computing (CAICC) courses to provide materials, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.
Learning Resource LRF1 Fee - Writing Program	\$10	Credit Hour	A fee is assessed each student enrolled in Writing Program courses to provide materials, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.	Learning Resource LRH1 Fee - College of Education and Human Development (COEHD)	\$20.54	Course	A fee is assessed each student enrolled in College of Education and Human Development undergraduate and graduate courses to provide materials, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.
Learning Resource LRU1 Fee - Academic Inquiry (AIS)	\$12.50	Credit Hour	A fee is assessed each student enrolled in certain University College courses to provide materials, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.	Learning Resource LRE1 Fee - Klesse College of Engineering and Integrated Design (KCEID)	\$25	Course	A fee is assessed each student enrolled in certain lower-division undergraduate Klesse College of Engineering and Integrated Design courses to provide materials, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.
Learning Resource LRB1 Fee - Alvarez College of Business (ACOB)	\$15.41	Course	A fee is assessed each student enrolled in certain lower-division undergraduate Alvarez College of Business courses to provide materials, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.	Learning Resources Fee (KCEID) - College of AI, Cyber and Computing (CAICC)	\$25	Course	A fee is assessed each student enrolled in certain lower-division undergraduate College of AI, Cyber and Computing (CAICC) courses to provide materials, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.

Additional College and Course Fees and Incidental Charges

Learning Resources Fee - College for Health, Community and Policy (HCAP)	LRHC \$10	Course	To defray costs associated with providing course and lab materials, student services, experiential learning, student personnel salaries, student events, professional development, and administrative support that enhance student success and improves the overall classroom experience.	Learning Resource Fee - Multidisciplinary Studies	LRMS \$12.50	Credit Hour	This fee is assessed all students enrolled in Multidisciplinary Studies courses to provide materials, personnel, and equipment support of instructional design incorporating new technologies, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.
Learning Resource Fee - College of Liberal and Fine Arts (COLFA)	LRLF \$10.27	Course	A fee is assessed each student enrolled in College of Liberal and Fine Arts courses to provide materials, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.	Learning Resource Fee - Non-Course Based Instruction (NCB)	LRNC \$12.50	Credit Hour	This fee is assessed all students enrolled in NCB courses to provide materials, personnel, and equipment support of instructional design incorporating new technologies, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.
Learning Resource Fee - College of Sciences (COS)	LRS1 \$15.40	Credit Hour	A fee is assessed each student enrolled in certain lower-division undergraduate College of Sciences courses to provide materials, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.	Learning Resource Fee - ROTC	LRRT \$12.50	Credit Hour	This fee is assessed all students enrolled in ROTC courses to provide materials, personnel, and equipment support of instructional design incorporating new technologies, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.
Learning Resource Fee (COS) - College of AI, Cyber and Computing (CAICC)	LRAS \$15.40	Credit Hour	A fee is assessed each student enrolled in certain lower-division undergraduate College of AI, Cyber and Computing (CAICC) courses to provide materials, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.				

Additional College and Course Fees and Incidental Charges

Learning Resource Fee – School of Data Science	LRDS \$12.50	Credit Hour	This fee is assessed all students enrolled in Data Science courses to provide materials, personnel, and equipment support of instructional design incorporating new technologies, services, and administrative support to enhance student success and to defray costs for funding Graduate Assistants, Teaching Assistants, and materials to upgrade the student's classroom experience.	Physical Education - Kinesiology Activity Fee	PAG1 \$20	Course	To defray costs associated with activity-based courses to include supplies, materials, equipment purchases, equipment maintenance, and rental of equipment or fees for using exercise and sport facilities, or laboratories. Costs may also include supporting student professional development, student certification and license fees, operation license fees, student travel support, clinics, and professional development events.
Manipulatives Fee - Department of Mathematics	MFSM \$30/\$35	Course	A fee of \$30 per undergraduate course and \$35 per graduate course is assessed all students in certain mathematics courses to defray costs of manipulatives used in courses for pre-service and in-service mathematics teachers and payment of salaries for assistance with manipulatives.	Physical Education - Kinesiology Supply and Maintenance Fee	KSM1 \$10	Course	To defray costs associated with biomedical related courses to include supplies, materials, equipment purchases, equipment maintenance, and operation license fees. Costs may also include external learning services for students, student certification and license fees, as well as student events with faculty, guest speakers, and community partners.
Music Course Fee	MC01 \$25	Credit Hour	This fee is assessed Music majors and non-Music majors that perform in and/or attend university ensemble concerts, dance minors, and students registered in music courses that are in the core curriculum and thus required to attend university performances. To defray costs of concert quality instruments, custom music chairs, music stands, sheet music, lighting, sound, and storage equipment, residency activities and guest artists/performers.	Physical Education - Outdoor Activity Fee	PARC \$40	Semester	This fee is assessed all students enrolled in certain Kinesiology courses to defray costs associated with repair and purchase of equipment and transportation.
National Student Exchange Program Application Fee	NSEC \$95	App.	This fee is assessed students participating in the National Student Exchange program to defray costs associated with the application fee charged by NSE for student participation.	PreClinical & Outbound Clinical Fee	OCTF \$500	Semester	This fee is assessed certain COEHD teacher candidates during their clinical teaching semester to defray costs associated with hiring a clinical faculty member to supervise the students and to pay for faculty travel to school sites outside of Bexar county.
Physical Education - Golf Activity Fee	PAH1 \$80	Semester	A fee of \$80 for a semester or summer term is required for physical education golf activity courses to defray costs of equipment for use of driving range.	Professional Affiliation, Accreditation, and Development Fee – College of Education and Human Development (COEHD)	EHPA \$20	Semester	To defray costs associated with maintaining affiliations and accreditations with national professional organizations, administrative staff support, professional development of faculty, staff, and students associated with various organizations.

Additional College and Course Fees and Incidental Charges

Professional Affiliation and Development Fee - Department of Social Work	SWPA \$25	Semester	This fee is assessed each student enrolled in certain social work courses to defray costs associated with affiliation expenses for professional organizations (accreditation fees, membership, travel, etc.) and professional development for social work graduate students (registration, travel, honorarium, etc.).	Professional Development Charge - College of AI, Cyber and Computing (CAICC) - Graduate	APD2 \$150	Semester	This fee is assessed all Graduate College of AI, Cyber and Computing (CAICC) Students each semester to defray costs associated with providing personnel, training, and other support for professional development programs, placement, and internship support services.
Professional Development and Enrichment Fee - College of Liberal and Fine Arts (COLFA)	LFPE \$60	Semester	This fee is assessed to College of Liberal and Fine Arts students each semester to defray the costs associated with providing student enrichment experiences including experiential learning, immersion/ alternative break experiences, and programming to develop marketable skills, professional development & growth, internship & externship support services, and associated personnel & operational costs.	Program Charge - Education Abroad Application Fee	SAAF \$75	Semester	This fee is assessed all students applying to participate in study abroad and exchange programs.
				Program Charge - Education Abroad Program Fee	SARF \$150/ \$75	Semester	A charge of \$150 per semester is assessed all students registered in for-credit study abroad and exchange programs, and \$75 per semester for research and non-credit programs.
				Program Charge - Study Abroad Health Insurance Fee	SAHF \$25	Week	This fee is assessed all students each week they are abroad, while enrolled in study abroad or any university sponsored international travel, to defray the costs of insurance, and administrative expenses.
Professional Development Charge - Alvarez College of Business (ACOB) - Undergraduate	BPD1 \$60	Semester	This fee is assessed all Sophomore, Junior, and Senior Alvarez College of Business students each semester to defray costs associated with providing personnel, training, and other support for professional development programs, placement, and internship support services.	Program Charge - Honors College	PCHC \$100	Fall/ Spring Semester	A charge of \$100 per Fall and Spring semester is assessed all students enrolled in the Honors College to defray costs associated with providing services for initiatives of the Honors student leadership team, such as enhanced community building opportunities and attendance of conferences and programs to provide extensive experiential learning opportunities for both curricular and non-curricular initiatives.
Professional Development Charge - Alvarez College of Business (ACOB) - Graduate	BPD2 \$150	Semester	This fee is assessed all Graduate Alvarez College of Business Students each semester to defray costs associated with providing personnel, training, and other support for professional development programs, placement, and internship support services.	Program Charge - Roadrunner Camp Charge	CAMP \$125	Student	This fee is assessed each student attending Roadrunner Camp.
Professional Development Charge - College of AI, Cyber and Computing (CAICC) - Undergraduate	APD1 \$60	Semester	This fee is assessed all Sophomore, Junior, and Senior College of AI, Cyber and Computing (CAICC) students each semester to defray costs associated with providing personnel, training, and other support for professional development programs, placement, and internship support services.	School Psychology Support Fee	SPS1 \$14	Credit Hour	This fee is assessed all students enrolled in the School Psychology Master's Program to defray costs associated with services and training necessary to prepare School Psychologists for practicum, school-based internships, job placement, and clinic operations and support.

Studio Art Fee	SAF1	\$45	Course	This fee is assessed students enrolled in art (ART) courses in the visual arts curriculum that will use any of the studios under the direction of the School of Art to defray costs associated with setup and maintenance of the art studios, instructional exhibitions, wages for graduate assistants, and costs of supplies and materials.	Technology Services and Instructional Support Charge - College of Education and Human Development (COEHD)	STSH	\$10.27	Credit Hour	This fee is assessed all students registered in College of Education and Human Development courses to defray costs associated with providing personnel and technology support for Web design, procurement, maintenance and support, computer hardware and software, and other support necessary to maintain laboratory operations, as well as technology for student needs and distance learning. Will improve services through the conversion of computer labs to Technology Teaching and Learning labs where students will receive integrated and graduated training, develop hands-on expertise in ISTE standards appropriate to their future roles as educators, school counselors, school psychologists, and educational leaders.
Supplementary and Special Fees		Varies	Course	Some art, music, and other courses may require supplementary or special fees. When such fees are assessed, the online schedule of classes indicates the associated fee.					
Technology Services and Instructional Support Charge - Alvarez College of Business (ACOB)	BTSI	\$15.41	Course	This fee is assessed all students registered in certain lower-division undergraduate Alvarez College of Business courses to defray costs associated with personnel and equipment support for instruction.					
Technology Services and Instructional Support Charge (ACOB) - College of AI, Cyber and Computing (CAICC)	STAB	\$15.41	Course	This fee is assessed all students registered in certain lower-division undergraduate College of AI, Cyber and Computing (CAICC) courses to defray costs associated with personnel and equipment support for instruction.	Technology Services and Instructional Support Charge - Klesse College of Engineering and Integrated Design (KCEID)	STSE	\$10	Credit Hour	This fee is assessed all students enrolled in certain lower-division undergraduate Klesse College of Engineering and Integrated Design courses to defray costs associated with providing additional personnel, calibration of equipment, computer software/hardware, service contracts, and other laboratory equipment maintenance.
					Technology Services and Instructional Support Charge (KCEID) - College of AI, Cyber and Computing (CAICC)	STAE	\$10	Credit Hour	This fee is assessed all students enrolled in certain lower-division undergraduate College of AI, Cyber and Computing (CAICC) courses to defray costs associated with providing additional personnel, calibration of equipment, computer software/hardware, service contracts, and other laboratory equipment maintenance.

Additional College and Course Fees and Incidental Charges

Technology Services and Instructional Support Charge - College for Health, Community and Policy (HCAP)	STHC	\$6	Credit Hour	This fee is assessed to all students registered in the College for Health, Community and Policy courses to defray costs associated with providing personnel and technology support for instruction, and other resources necessary to sustain laboratory and technology-based teaching, research, and learning operations.	Technology Services and Instructional Support Charge (COS) - College of AI, Cyber and Computing (CAICC)	STAS	\$7.20	Credit Hour	This fee is assessed all students registered in certain lower-division undergraduate College of AI, Cyber and Computing (CAICC) courses to defray costs associated with providing additional personnel and equipment support for instruction, technology support for Web design and maintenance, Web-accessible course information, support for academic reporting and distance learning, service contracts, and other support necessary to maintain laboratory equipment.
Technology Services and Instructional Support Fee - College of Liberal and Fine Arts (COLFA)	STLF	\$6.16	Credit Hour	This fee is assessed all students registered in COLFA courses to defray costs associated with providing personnel and technology support for Web design, procurement, maintenance and support, computer hardware and software, personnel, and other support necessary to maintain laboratory/computer technology-based teaching, research, and learning operations.	Technology Services and Instructional Support Charge - Writing Program	STSF	\$2	Credit Hour	This fee is assessed all students enrolled in certain Writing Program courses to defray costs associated with providing personnel and equipment support of instructional design incorporating new technologies.
Technology Services and Instructional Support Charge - College of Sciences (COS)	STSI	\$7.20	Credit Hour	This fee is assessed all students registered in certain lower-division undergraduate College of Sciences courses to defray costs associated with providing additional personnel and equipment support for instruction, technology support for Web design and maintenance, Web-accessible course information, support for academic reporting and distance learning, service contracts, and other support necessary to maintain laboratory equipment.	Three-Attempt Enrollment Charge	TTEC	\$538.34	Credit Hour	This charge is assessed all undergraduate students enrolled in the same course for the third and subsequent times to defray revenue lost as a result of nonfunding by the state.
					Undergraduate Credit Limitation Charge - 30-Hour Limitation	CL30	\$538.34	Credit Hour	Effective Fall 2006, all new undergraduate resident students will be assessed the higher tuition rate of \$538.34 per semester credit hour for hours attempted in excess of 30 semester credit hours above those required for completion of a degree to defray UT San Antonio's loss of formula funding revenue from the state. Students with questions or who wish to appeal this policy due to extenuating circumstances should contact their advising center. Please refer to "Undergraduate Credit Limitation" in General Academic Regulations.

Undergraduate Credit Limitation Charge - 45-Hour Limitation	CL45	\$538.34	Credit Hour	Resident undergraduate students who initially enrolled from the Fall 1999 Semester through the Summer 2006 Semester and who enroll in courses in excess of 45 semester credit hours above those required for completion of their degree program will be assessed an additional charge of \$538.34 per semester credit hour to defray UT San Antonio's loss of formula funding revenue from the state. Students with questions or who wish to appeal this policy due to extenuating circumstances should contact their advising center. Please refer to "Undergraduate Credit Limitation" in General Academic Regulations.
